

## Need an MRI, CT, Pain Injection or X-ray?

The Sheet Metal #10 Benefit Fund chose Center for Diagnostic Imaging (CDI) as a preferred provider for your medical imaging needs. The Fund chose CDI because of our commitment to patient care.

### Covered medical imaging includes:

- **MRI exams** – CDI offers a wide range of services to meet your needs, including open MRI and traditional high-field MRI scanners.
- **CT exams** – You and your family's health and safety is our primary concern. Our clinical teams are committed to capturing the highest quality diagnostic images using the appropriate amount of radiation.
- **Pain Management Procedures** – CDI offers cost-effective options to better analyze and treat back and joint pain. Our radiologists specialize in medical imaging to diagnose pain, and in diagnostic and therapeutic procedures to treat its root cause.
- **X-ray** – Digital scanner technology allows for a quick and easy exam; walk-in services available.

### Benefits available to you:

- 100% coverage after deductible for most medical imaging; co-insurance is waived.
- There are 21 locations throughout Minnesota and Western Wisconsin.

### Need to schedule an exam?

- Call CDI's Labor Appointment Line at 952.738.4817 or 866.765.7138.
- Your healthcare provider will send a written referral for the exam. Please work with them first to ensure we have all the information required to guide your care.
- Pre-register for your exam on CDI's Patient Portal ([myCDIexam.com](http://myCDIexam.com)) – a secure login is required. Request access to the Patient Portal when we set up your appointment.

**Center for Diagnostic Imaging:  
Quality you can see. Care you can trust.**

# High-Quality Medical Imaging

Since 2008, Center for Diagnostic Imaging (CDI) has been an endorsed medical imaging provider for Labor Health Funds in Minnesota.

## The CDI Difference

### High-quality, Lower Cost

- CDI is typically 30-50% less expensive than hospital-affiliated providers, saving both you and your health fund money

### Convenient Appointments

- Evening and weekend appointments available at convenient Minnesota and Western Wisconsin locations, with free parking

### Quality

- Exams are performed on high-quality equipment for the best results
- CDI's technologists are nationally credentialed and our equipment meets national accreditation standards

### Patient-centered Care

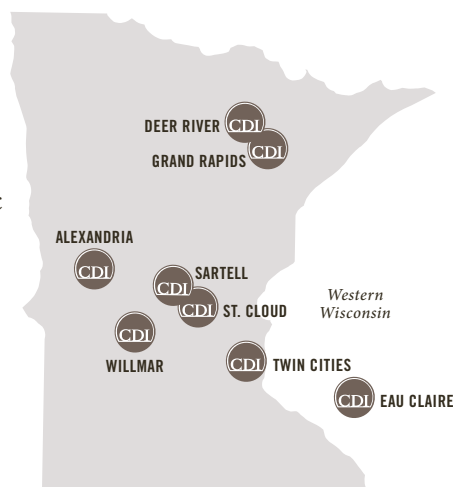

- A dedicated CDI Labor Specialist is available to work with you one-on-one to answer questions, provide easy scheduling and help you prepare for your test

### Safety

- On-site specialized doctors (radiologists) develop unique procedures based on your needs
- Reduced use of contrast materials (dyes) by using quality, high-strength equipment
- Protocols and standards in place to help reduce radiation dose for X-ray and CT exams

### Efficiency

- Our radiologists specialize in specific areas of the body, ensuring you receive the highest quality test results which are then shared with your health care provider
- Your diagnostic report is available to your provider in 24 hours or less
