

YOUR HEALTH FUND RECOMMENDS RAYUS RADIOLOGY

WE BRING BRILLIANCE TO HEALTH & WELLNESS

WHEN YOUR HEALTH IS IN QUESTION, YOU NEED ANSWERS

Count on RAYUS Radiology™ to provide high-quality medical imaging. We work with your doctor to help find the answers to guide the next step in your medical care.

WE OFFER YOU

- Evening and weekend appointments
- Costs 30-50% less than hospital-affiliated providers, saving both you and your health fund money
- Some health funds cover 100% of medical imaging, to include MRI, CT, pain management (to include regenerative medicine), ultrasound and X-ray
- On-site, subspecialized doctors (radiologists)
- Your diagnostic report available to your doctor in 24 hours or less
- RAYUS labor specialists who can answer your questions, provide easy scheduling and help you prepare for your test

SERVICES

- MRI (3T, high-field, open)
- CT
- Diagnostic & pain management injections
- 3D mammograms
- Bone density
- Nuclear medicine
- PET/CT
- Ultrasound
- X-ray
- Regenerative medicine
- RAYUS Pain Care
- RAYUS Vascular Care
